

Valvo EF 95

Code: 592
R3F2

Acc. to list 1: Code 59 = CV4010 or M8100.

(Commercial tables give E95F / 5654 / 6AK5W

as equivalent, but code list 2 shows a different

production code (09) for these).

Acc. to the General section:

R = Mullard, Mitcham

3 = Year of production, 1963

F2 = Month + week of production (2nd week of June)
