

Same tube, front- and backside

Code reads:

EP2

B7B1

Acc. to list 1 or 2: EP = EF 37 A 2 = change identification

Acc. to General section: B = Mullard, Blackburn

7 = Year of production 1967

B1 = First week of February

It appears that Cossor sold this tube as OM5C, without hiding its Mullard origin, but scratching the EF 37 A marking.
